## Richard Thorpe Joins Reverse Mortgage Funding as Sales Channel Leader

*Thorpe will lead the distributed retail strategy*

**Melville, N.Y., March 31, 2014**—Reverse Mortgage Funding LLC announced today that it has hired Richard Thorpe as its Sales Channel Leader focused on Distributed Retail, one of several key channel strategies for the company this year.

As he implements his strategy, Thorpe will report directly to Reverse Mortgage Funding President David Peskin. Distributed Retail is a key building block in our overall strategy.

“This will be a key initiative for us,” said Peskin. “Richard is a great hire for us and he adds another strong leader as we continue to grow. He brings with him 23 years in the mortgage industry, with the last nine in the reverse mortgage space, so he understands this business extremely well and has a strong record of success.”

Prior to joining Reverse Mortgage Funding, Thorpe was Vice President of the East Coast at Security One Lending. Prior to that, he was the Northeast Area Sales Manager for MetLife's Reverse Mortgage division. Previously, Thorpe served as the National Sales Manager at EverBank Reverse Mortgage.

“I’m looking forward to working with the best loan officers in the reverse mortgage industry and building a world class team at RMF,” said Thorpe.

Thorpe earned his bachelor’s degree from the State University of New York College at Fredonia and lives in New Windsor, N.Y., with his wife and five children.

RMF is hiring immediately; if you are interested in employment opportunities, contact the company at [careers@reversefunding.com](mailto:careers@reversefunding.com).
