## Robert Cooper Joins Reverse Mortgage Funding as Director of Strategic Partners

*Cooper will focus on building partnerships with the builder and realtor communities*

**Melville, N.Y., April 2, 2014**—Reverse Mortgage Funding LLC announced today that it has hired Robert Cooper as its Director of Strategic Partners. Cooper will be responsible for building strategic relationships and partnerships with the builder and realtor communities.

“For more than 11 years, Rob has been working in the reverse mortgage industry, managing accounts throughout the mid-Atlantic,” said David Peskin, president, Reverse Mortgage Funding. “His strong experience adds another accomplished leader to our team, and we’re happy he is joining us. His role at Reverse Mortgage Funding will be important; builders and realtors are important audiences. We believe the HECM for Purchase product will become a very important product for seniors over the next few years as traditional mortgages become more challenging to obtain. Rob’s focus purely on Builders and Realtors is an important step for RMF, and we are excited to have him as part of the team.”

Prior to joining Reverse Mortgage Funding, Cooper served as Vice President of the mid-Atlantic region for Security One Lending. Before that, he was the National Director of Business Development/Distributive Sales for One Reverse Mortgage. Prior to that, Cooper was Area Manager of the mid-Atlantic for MetLife Bank.

Cooper earned his bachelor’s degree from Towson University.
